

Tamper Evident Feature: Do not use if safety seal under cap is torn, broken or missing.

Internal Deodorant Caplets

Product Facts

Nullo® is an internal deodorant which customers have found to be effective when taken daily, to help reduce personal odors related to bad breath, perspiration, foot odor, underarm and body odor, masculine and feminine hygiene and incontinence. Also, Nullo® is used as human scent control by hunters and outdoorsmen to reduce detection of themselves by animals with a keen sense of smell\*\*

These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.\*\*

Serving Size: 1 caplet	Amount per serving:	% Daily value:
Chlorophyllin Copper Complex	100 mg	Daily value not established

Directions: Allow 2 to 14 days to take effect. Children under 12 years of age should consult a doctor. Take 1 caplet in the morning and 1 caplet in the evening. If odor is not controlled, you may take up to 3 caplets a day. Do not exceed 3 caplets per day. The smallest effective dosage should be used.

Warnings: When using this product, if cramps or diarrhea occur, reduce the dosage. Stop use and ask a doctor if symptoms persist. If you are under a physician's care or taking medication, consult your health care professional before using this product. If you are pregnant or breast-feeding, consult a healthcare professional before use. KEEP OUT OF REACH OF CHILDREN.
